Despite battling the undue implication of the impending mega lay off of 2022, the Institute not only maintained its legacy of delivering **100% placement** results but also shattered previous records to achieve the highest ever **average package at 11.29 LPA** and **median at 11 LPA** . Reinforcing their faith in the distinctive quality of the institute's students, industry-wide recruiters offered higher packages for coveted roles pushing the **highest package up to 19.25 LPA**, a handsome increase over the last season.

The lucrative opportunities offered to the students are a good reason for celebration, with the **Top 50%** of students receiving an average package of **11.33 LPA** the **Top 25%** receiving an average package of **13.21 LPA** and the **Top 10%** receiving an average package of **14.43 LPA**. The Institute owes the success of the placement feat to the unwavering support of its esteemed recruiters, the effort and determination of its student placement committee, as well as the caliber and zeal of its students. Held on a rolling basis, the placement season witnessed over **70 companies** participating in the process and making multiple offers with **49 new recruiters** offering roles across various domains, including **Consulting, Strategy, Finance, Product Management, Sales & Marketing, HR, IT & Analytics etc.**

There has been an overwhelming increase in the number of recruiters willing to partner with the Institute, an indication of the rapid strides it made, notwithstanding the challenges posed by the mega lay off. Despite the recession season shadowing, the Institute witnessed positive developments in terms of salary figures wherein few companies revised them.
