Vice Chancellor's Message

Jamia Millia Islamia, a Central University, has now made a quantum leap. Today it has more than 20,000 students on its roll and approximately 800 faculty members. It has 9 faculties with 39 departments, and 30 centres of excellence and research. It offers more than 243 courses.

Master of Business Administration (MBA), a post graduate business degree is one of the most sought after programmes of the university with the seats to applicant ratio are increasing every year. The programme caters to the dynamic needs of the global business scenario. It seeks to provide the best possible opportunities, enhancing prerequisite knowledge, pertinent skills and the right attitude. The programme is benefitted from the interdisciplinary knowledge resources from many well-known faculties, departments and centres of university.

The programme is guided by a Board of Management, comprising eminent experts from the management education and from the corporate world.

The current batch of MBA students has gone through rigorous academic inputs and at the same time they have undergone summer internship at reputed firms and organisations. These students are now ready to enter into the corporate world and contribute their share towards the growth of firms and organisations they join.

I request you to arrange a visit of your company executive to have a first-hand interaction with our students and give them an opportunity to work in your renowned organisation. I am sure the students will prove to be an asset for your organisation.

I thank you for all your support and look forward to establishing a long-term relation.

Prof. Najma Akhtar
Vice Chancellor,
Jamia Millia Islamia

The current business scenario is becoming more uncertain, complex, and ambiguous, compelling organisations to change the business models altogether. Technological disruption is a common phenomenon in every facet of life. Fuelled by the extreme events, the whole gamut of economic and business activities is now challenging, leaving behind conventions that have existed for centuries.

At the Centre for Management Studies (CMS), Jamia Milia Islamia, we recognise the need for shaping future business leaders who can spearhead these unforeseen changes in the business environment. This has percolated into our pedagogy, course content, and teaching ideology. We are committed to imparting traditional managerial knowledge to our students alongside new-age skills such as creative problem solving, technical acumen, and emotional intelligence. We also aim to instil values required in responsible leaders of tomorrow, including responsibilities towards society, government, environment, and sustainability.

Thus, we aim to broaden our horizons and enhance creative skills, our key element in the teaching- learning process. We aim to develop professional managers, corporate leaders, entrepreneurs, and innovative research with broad societal representation and conscious concerns for social, environmental, and sustainability issues.

The recent NIRF ranking of Jamia Milia Islamia illustrates our efforts in building a world-class institution. At CMS, we inspire to be among the top management institution of the country to pursue our vision to be a socially responsive, distinguished institution of values-based management education and research.

Prof. (Dr.) Pankaj Kumar Gupta
Director, Centre for
Management Studies (CMS),
Jamia Milia Islamia

University Placement Cell

Prof. (Dr.) Rahela Farooqi - Training and Placement Officer

The technological revolution and the forces of globalisation have changed functionality of organisations in the recent years. We at Jamia Millia Islamia endeavour to enable our students to move forward confidently; to embrace change rather than follow, to innovate rather than remain stagnant and to initiate rather than respond and thereby to become competent managers and dynamic entrepreneurs in a rapidly changing economic and industrial environment.

We solicit your cooperation in our attempt to create a knowledge society that fortifies the intellectual, physical, mental and spiritual dimensions of individuals for holistic development.

You are cordially invited to our campus to interact with our new age professional managers and assess their skills to assist helping your organisation grow perpetually.

Prof. (Dr.) Naushad H Mullick - Placement Advisor

I am thankful for the support given to our students by providing them Internships and Placement Offers in your organisation. Our new academic year has started and the students are now available for joining organisations. I, on behalf of CMS invite you to visit our campus and select the talents available at our campus.

Our brochure will give you an overview of the talent available at Centre For Management Studies, JMI. The Students who are in the final year have just completed their summer internship in 2019 and are undergoing specialisation in Finance, Marketing and Human Resources. They are very enthusiastic and have been trained to undertake meaningful responsibilities. As you are always on a lookout for better talent which can excel further in this competitive world, I can assure you that they are the future managers who can fit in various roles of your organisation. Our first year students are undergoing their foundation courses of Business & Management and are ready to start their summer internships in 2020. They are of varied backgrounds and have come from different parts of the country and world selected through a rigorous MBA selection process comprising of Admission test, Group Discussion and Personal Interview.

I am confident that our students If given a chance will prove themselves and make a significant contribution in your organisation. Looking forward to your visit at our vibrant centre and University Campus.

OUR RECRUITERS

CAMPUS AMENITIES

Central Library

The students of MBA have full-fledged access to one of the best managed libraries in the city, the Central Library of Jamia, stocking a rich collection of over 3.28 lakh books and bound volumes of periodicals, about 2500 manuscripts, 200 microfilms, and subscriptions to 440 journals in all major disciplines, the University Central Library caters to the academic needs of the University students, staff & research scholars. The library has fully computerised its most actively used collection, which is now available to users through OPAC (Online Public Access Catalogue) with network access across the campus.

CMS Library

The CMS Library fosters Intellectual growth and advances the mission of CMS by supporting excellence and innovation in education and research, managing and delivering information, and partnering to develop and disseminate new areas of management studies. The CMS library is equipped with a diverse collection of books and business journals to keep the students updated and well Informed with the latest developments and changes in the corporate world.

Computing Facilities

The students of CMS have access to state-of-the art computing facilities supported by an array of peripherals such as high speed internet connectivity, laser printers, copiers and scanners. The computers are equipped with various management information system software to provide better clarity and comprehensive training of management concepts to the students.

Seminar Hall

The institute has a well-equipped, fully air-conditioned seminar hall with complete audiovisual facilities for conferences, guest lectures, meetings and corporate interactions. It has been the venue for numerous industrial interactions, brainstorming sessions and insightful learning experiences.

CAMPUS AMENITIES

M.A. Ansari Auditorium

The Ansari Auditorium is Jamia's one-stop destination for all cultural activities. With a seating capacity of more than 500, the Ansari Auditorium has played host to a myriad of lectures by eminent speakers, annual fests, theatrical performances and film festivals.

Cafeteria Facilities

With a number of cafeterias in the campus, students have multiple hangout spots to choose from. The cafeterias provide hygienic food at reasonable rates. Needless to say, they are popular hangout spots for the students and serve as a platform for Interaction among students from different disciplines.

Sports Facilities

Jamia Millia Islamia has long been known for promoting sports and games among the student youth. The Jamia Sports Complex is the centre for all sports activities of the University. Jamia offers world class sports facilities and equipment for sports including badminton, cricket, football, hockey, basketball, table-tennis, boxing, handball, athletics, shooting, etc. Jamia offers special concessions and relaxation in admissions to outstanding sports persons. The University boasts of the Bhopal Cricket Ground that has been the centre stage for events like the Women's Cricket World Cup.

Hostel Facilities

The University has a number of fully-furnished hostels for both men and women. There are seven hostels for men and six for women. The hostels provide facilities such as 24-hour Internet facility, library, common room, recreation room, playground, RO purifiers, dining hall, 24-hour power-backup, telephone facilities, etc. Students from diverse cultures and ethnic backgrounds live together, thus creating a strong base of values and integrity among the students.
