YOUR STORY BEGINS WHEN **YOU CHOOSE** WHO YOU BECOME

Inspiration Lies in the Heart of Parul University

DEEPA MALIK

Life is a festival which you need to celebrate and make the best of each and every day. If you are determined to learn something, without considering any obstacles that may come, your determination will bring you the success that you require in your life.

ANAND KUMAR

The recognition of university is in the change that it makes in the life of a Student. You should never feel inferior, but you need to always trust your strength, knowledge and hard work.

ANIL KUMBLE

In Life you need to learn to overcome every obstacle. It took me 40,000 deliveries to get 619 wickets. Every day you will need to learn to overcome the challenges you will find each day to be successful.

MANUSHI CHHILLAR

Whether you have big or small goals, you need to pursue every goal with sincerity and honesty. In everything that you do, always see the value in yourself and bring change to the world.

CHOOSE EXPERIENTIAL LEARNING

With Hands-on Training

CHOOSE TO BRING OUT THE BEST IN YOU

ARMED FORCE MOTIVATIONAL CELL

The highest form of service is one that is rendered beyond the self, with the objective of bringing good to the society and all of humanity. This is the fundamental philosophy which guides the Armed Forces Motivational Cell, which seeks to instill a national service spirit within the students during the course of their academics.

STUDY ABROAD CELL

The Study Abroad Cell believes in bridging National boundaries, in the search for new academic discoveries, by aligning the global learning aspirations of the students, with endless possibilities in universities across the World.

COMPETITIVE EXAM CELL

At Parul University learning is a continuous and never-ending process, the Competitive Examination Cell is a development oriented center which prepares students for Civil Service examinations such as UPSC and GPSC.

FROM A HEALTHY TODAY TO A HEALTHIER TOMORROW

A vision to serve mankind with care, compassion and affection employing ultra modern diagnostic and treatment services.
